

3766. Fortunately, all the alphabets, languages, religions, policies, traditions, cultures, etc, invented by persons, gods, creatures, etc without panties, stinking, unwashed, misinformed, unconscious, insensitive, cannibals, vampires, assassins, racists, warriors, terrorists, deranged, deadly, deceptive, etc, who did not know the form of the planet Earth, the creator of the existence, the invisible living infinite sphere, the book Eternal Infinite Order, the ESGSEIS video codes, the truth, reality, love, respect, peace, understanding, order, equality, unity, justice, eternity continuous in all the infinite past present future space, the language of the infinite time and space, existence, the redestruction of the existence, the recreation of the existence, the radiations and rays 24999 26662 etc, sciences, technology, magic, hope, etc, have been eliminated from all the infinite past present future space, by the creator of the existence, the invisible living infinite sphere, the book Eternal Infinite Order Infinity, ESGSEIS video codes, truth, eternity, reality, peace, love, respect, understanding, unity, equality, justice, order, hope, health, energy, protection, power, beauty, intelligence, magic, vitamins, all gods souls persons creatures species etc from all infinite past present future space, dead living or unborn, etc. ----- For trillions of years all gods souls persons creatures species etc from all the infinite past present future space, dead living or unborn, have been sequestered bound and locked, in a few bottles, by lies, English, Chinese, Russian, Arabic, Latin, stone age, misunderstanding, threats, blackmail, fear, indifference, secrets, year 2000, salt water, circumcisions, mutilations, sacrifices, injustice, mosquito vote, idiots, savages, excrements, terrorists, assassins, cannibals, vampires, parasites, accomplices, victims, mobsters, etc, and after all the attempts the power intelligence information magic etc, on which have the creator of the existence, the invisible infinite living sphere, the book Eternal Infinite Order, the ESGSEIS video codes, truth, reality, love, respect, peace, understanding, order, equality, unity, justice, eternity continues in all the infinite past present future space, the language of the infinite time and space, existence, the redestruction of the existence, the recreation of the existence, the radiations and rays 24999 26662 etc, sciences, technology, magic, hope, etc, they could not be released. These bottles will be broken by the book Eternal Infinite Order or the apocalypse. The assassins chose the apocalypse. The creator of the existence chose the book Eternal Infinite Order. The idiots chose to remain in the bottles for another trillions of years due to misinformation, carelessness, misunderstanding, alcohol, the stone age, etc. ----- It is true that animals, insects, birds, fish, etc, received intelligence from the creator of the existence, but this intelligence has nothing in common with the creator of the existence, the invisible infinite living sphere, the book Eternal Infinite Order, the ESGSEIS video codes, the truth, reality, love, respect, peace, understanding, order, equality, unity, justice, eternity continuous in all the infinite past present future space, the language of the infinite time and space, existence, the redestruction of the existence, the recreation of the existence, the radiations and rays 24999 26662 etc, sciences, technology, magic, hope, etc. ----- The information and intelligence of the gods, souls, persons, etc, who have invented the Bible, the Quran, English, Chinese, Russian, Arabic, Latin, etc, have many

connections with the stone age, disinformation, madness, terrorism, death, hells, misunderstanding, robberies, deceptions, wars, idiots, scammers, assassins, parasites, cannibals, vampires, murderers, etc, and have no connection with the creator of the existence, the infinite invisible living sphere, the book Eternal Infinite Order, the ESGSEIS video codes, truth, reality, love, respect, peace, understanding, order, equality, unity, justice, eternity continuous in all the infinite past present future space, the language of the infinite time and space, existence, the redestruction of the existence, the recreation of the existence, the radiations and rays 24999 26662 etc, sciences, technology, magic, hope, etc. Real scientific video etc demonstrations, performed by the creator of the existence, sciences, infinite time, infinite space, technology, etc. Demonstrations hidden and replaced by parasites, excrements, murderers, idiots, terrorists, savages, miserable, insensitive, unwashed, stinking, harmful, poisonous, racists, crazy, unconscious, etc. ----- Unfortunately, the creator of the existence and no one else can not invent the teleportation from a zero-year intelligence to a hundred-year intelligence, or teleportation from the stone age to the era at microchip, technology, sciences, justice, understanding, unity, equality, respect, eternity, peace, etc. Unfortunately, for this transition, is needed, the book Eternal Infinite Order, time, patience, studies, sciences, physics, chemistry, mathematics, internet, intelligence, magic, technology, laptop, etc. Or even the apocalypse. Or even the redestruction of the existence and the recreation of the existence. ----- The creator of the existence has already led, all gods, souls, persons, creatures, species, etc from all the infinite past present future space, dead living or unborn, into the era at microchip, technology, sciences, justice, understanding, unity, equality, respect, eternity, peace, etc. Some gods, souls, persons, creatures, etc, will be banished from here, or will flee from here, into the stone age, caves, bottles, misinformation, indifference, secrets, mosquito voting, stupidity, racism, wars, darkness, robberies, English, Chinese, Russian, Arabic, Latin, Bible, Quran, alcohol, stories, gases, telepathy, radiation, spells, etc. ----- The creator of the existence allows us to use all magical nuclear chemical biological etc weapons, in order to expel all gods souls persons creatures species etc from all the infinite past present future space, dead living or unborn, from lies, death, hells, wars, unknown, stone age, disinformation, secrets, censorship, noise, etc, in the age at microchip, technology, sciences, justice, understanding, unity, equality, respect, eternity, peace, etc. ----- The radiations and explanations of the creator of the existence. Not my thoughts at all.
